

The Power of Sound Healing

DESCRIPTION:

Sound healing has been used throughout the ages from modern day medicine to ancient Greek and Chinese cultures. In this program you'll learn about the history and use of sound healing, recent scientific research, and amazing discoveries on how this cutting-edge therapy is being used to treat medical conditions and help with trauma, grief, and stress.

The program will discuss various acupressure points and you will experience the effects of sound through a remote sound healing demonstration. Information gained during the class will benefit both you and those you serve.

PROGRAM DETAILS

This presentation features an experienced professional offering her own expertise on the topic.
